

# PROJECT REPORT TEMPLATE

## 1 INTRODUCTION

### 1.1 Overview

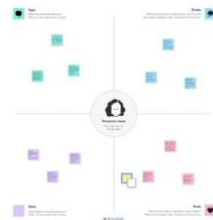

Designing a Social media post using canva.

### 1.2 Purpose

We created this to invite our chairman and secretary for the women's day.

## 2 Problem definition & Design Thinking

### 2.1 Empathy map

### 2.2 Ideation & Brainstorming Map

## 3 RESULT

## 4 Advantage & Disadvantages

It is useful for to invite the people for any celebration through post some of them know about our college. It lacks emotional connection and decreases face to face communication skills.

## 5 APPLICATIONS

It is useful to connect the people in t6his world anywhere. We can invite any people for our celebrations without meeting the person.

## 6 CONCLUSION

We learn a lot of new things about editing using canva make it useful for others.
